1932 Ford coupe reproduction ashtray

The 1932 Ford 3-window coupe was introduced with several one-of-a-kind features. One extremely hard to find piece is the ashtray, which fits in the glove box door. This exact replica matches the original perfectly. Unlike the original, this reproduction ashtray is crafted from polished stainless steel rather than chrome plated metal. Each ashtray comes in a cloth bag for safe storage. A must have for any vintage car collector.

\$ 150.00 each.

Cable Operated Trunk Latch

This beautifully chrome plated Trunk latch is cable operated. Open your trunk from inside the car. Spring mechanism “pops” trunk up allowing it to be opened without the need of a exterior handle or latch.

\$ 45.00 each.

Polished Stainless Fan Shroud

This beautiful 18” x 20” polished stainless fan shroud is designed to fit a 15” fan. Creates a unique look for your hot rod.

\$ 175.00 each.
